

## HOLLOWSHORE CRUISING CLUB

---

### HCC Mooring Buoys

The Club buoys have been marked and new halters fitted.

The waypoint is: N51 – 21 lat. and E 00 – 53 long.

Bearing 345 degrees from the Kent Wildlife Hut at the top of the Harty slipway.

One buoy is a dark orange disc buoy about 2'-6" diameter and the other, slightly inshore, is a dark orange spherical buoy about 20" diameter.

You can see the Harty causeway in the background to the following picture:
